

HOLIDAY GIFT PLANNER

Four stations, one sheet of **everyone you're buying for, what they're getting, and when to order it**. The hard-to-shop-for people go first. Check off each station you finish for a ticket.

MY ORDER-BY RULE

Count back from the day you give it

Order days before I give it

#	STATION	WHAT IT COVERS	DONE ON	DONE
1	LIST EVERYONE And set the budget	Every person you buy for, and a budget next to each name Split the total evenly first, then move money to the people who need more	DATE	☐
2	CHECK YOUR STASH Before you buy anything	The closet, the drawer, the stuff you picked up in July Give each thing a person, then count any game prizes you already have	DATE	☐
3	HARD ONES FIRST Check the H box	Has everything, no hobbies, or you don't like the same things Try an experience. Don't know them well? A gift card is the safer bet	DATE	☐
4	ORDER-BY DATES For anything that ships	Write an order-by date next to every gift you're shipping Store gifts, experiences and gift cards don't ship. Leave their date blank	DATE	☐
